

# 2018 HOLISTIC STUDENT SUPPORT INSTITUTE

## SAVE THE DATE

OCTOBER 8 - 11, 2018 • ST. LOUIS, MISSOURI

How do we support every student in achieving their academic, career, and personal goals? What services are needed? How should they be delivered? How do we get students to use the services they need?

Join over 300 colleagues to learn from Achieving the Dream's framework and strategies for student support redesign and apply national best practices and research for designing student-centered supports on your own campus.

This is an action-oriented working institute designed for teams of four or more.

Achieving the Dream™

Themes: Advising and Planning; Financial Security; Student Success Technology; Integration of Services; Implementation Strategies.

## FEEDBACK FROM THE 2017 INSTITUTE

9 out of 10 participants recommend the institute to a peer institution.

*"I found the workshops extremely informative and am excited to bring new ideas that will improve students' experiences back to my campus."*

*"It helped to hear from the national leaders and also leaders from colleges where this work has been going on. We left with a good action plan."*

*"Especially helpful were strategies for sustaining urgency and ideas for restructuring teams and making better use of our resources."*

Our 2017 Institute sold out quickly. To avoid missing out, email [services@achievingthedream.org](mailto:services@achievingthedream.org) to be notified as soon as registration opens.
