

STEM Regional Collaboratives

CROSS-COLLABORATIVE DISCUSSION TOOL

QUESTIONS	NOTES
1. What will your role be in the Collaborative moving forward?	
2. What is one thing you heard today--about another Collaborative--that intrigued you and you'd like to consider "stealing" for your Collaborative?	
3. Which reform principles are you most excited about?	
4. Are there mechanisms in place to monitor the implementation and make improvements as needed?	
5. What challenges have you encountered, or do you anticipate?	
6. How can this cross-collaborative group work together moving forward?
